Battery Recycling Program

- Help preserve our environment
- Protect yourself from non-compliance and EPA fines or lawsuits with East Penn Mfg's (Deka) state-of-the-art recycling facility.

Note:

Batteries not properly palletized and banded prior to shipment will incur additional fees deducted from above payments. Excludes Champion batteries and may exclude other styles. Call for more information.

The lead market is in constant fluctuation. Rates are subject to change on short notice. However, the rate of each qualifying unit sold will not change after pick-up.
