

# TEST AND EVALUATION GUARANTEE

TEG PROGRAM - DESIGNED FOR RENTAL FLEETS

**Purchase any Deka Industrial Battery from IBP and receive the following benefits to insure optimum performance.**

## **Annual Inspection**

Annual Inspection of your Deka battery, at your facility, with a written summary of our findings and recommendations.

**No Charge**

## **Six Hour Load Test**

A six hour load test, performed at our facility, with a written evaluation and our recommendations. This is available at any time, and as often as you desire, during the battery's useful life.

**No Charge**

## **Battery Performance Tune-Up**

Adjustment of your Deka battery's acid to the manufacturer's recommended specific gravity, at approximately the 30 month mark.

**No Charge**

## **Guaranteed Residual**

Guaranteed buy-back of your Deka battery at the 2 thru 6 year marks, based on application and original purchase price.

**No Charge**

## **Battery Recycling**

IBP will properly dispose of your scrap battery according to EPA guidelines.

**No Charge**

### **Note:**

Freight not included.  
Service rental  
is available at  
an additional charge.

When making your industrial battery acquisition, why not purchase more than a fuel tank? Specify a Deka Industrial Battery from **IBP** and receive this **Test and Evaluation Guarantee**
