

Battery & Charger Residual Program

888.813.5636 / IBPMIDWEST.COM

Offered exclusively to lift truck dealerships serviced by IBP

Batteries & Chargers

Available on Deka batteries and approved 100% rated chargers purchased through IBP.

Residual Dollars

Residuals are based on original purchase price.

Annual Inspections

Batteries must be available for annual inspections by IBP or it's appointed designate.

Applications

Residuals may be reduced or voided if IBP operational recommendations, assuming reasonable, are not implemented.

Freight

Return freight cost to nearest IBP facility is original purchaser responsibility.

Credit

Residual will be paid by check or residual buyout towards your account.

Year	Deka Batteries	Deka 5 & 7 Plate Batteries	Single Voltage, Single Amp Chargers	Multi Voltage & Multi Amp Chargers
2 yrs.	50%	30%	50%	55%
3 yrs.	40%	15%	40%	45%
4 yrs.	35%	5%	35%	40%
5 yrs.	25%	0	25%	30%
6 yrs.	5%	0	20%	25%

NOTE: Above residuals are contingent on IBP's approval of the customer's application. Some applications will require modification of these rates to better match the demands of that application. The above rates are based on PowerCare Level 1 or higher being Purchased with each battery. A reduction of 5% will apply without PowerCare. Battery residuals based on IBP approved charger.

Above residuals do not apply to high frequency, opportunity and fast charging. Call IBP for rates.
