

VERTICAL CHARGER STANDS

SACKETT SYSTEMS VERTICAL CHARGER STANDS, WITH A SMALL FOOTPRINT AND HEAVY DUTY CONSTRUCTION CAN HANDLE FORKLIFT BATTERY CHARGERS REGARDLESS OF BRAND OR SIZE.

Available in three models, these durable stands provide multiple space saving options for your opportunity charging configuration. Easy to install with no assembly required — bolt your charger to the stand, bolt the stand to the floor and your setup is complete. All stands include scratch-resistant powder coating as well as sturdy 2" or 3" post diameters and optional 3rd or 4th charger mounting on the back side.

Sackett Vertical Charger Stands have the opportunity charging stand solutions to keep your business moving.
