Optimal Performance

CERTIFIED POWER

Let IBP's power experts retain full responsibility over your battery fleet. We manage all maintenance, charging and asset rotation for optimal performance. So you'll always have the power you need – when you need it. And just like AC power, you'll pay for DC power monthly.

HOW IT WORKS

- Receive a free operation analysis and power study
- Enroll one battery/charger at a time OR let IBP purchase your current power system
- Turnkey installation of your customized power system
- All battery/charger maintenance included
- Upgrade or downsize your system at any time

BENEFITS

- Guaranteed uptime
- Guaranteed monthly price
- No capital expenditures
- No unpredictable overage costs
- No unplanned Battery/Charger maintenance or equipment replacement costs
- Conventional / opportunity / fast charge systems available
