

# TOTAL SUPPORT GUARANTEE

## The Extra Mile Is Our Bare Minimum

At IBP, we stand behind every battery we sell. When you purchase any new Deka battery from us, you'll automatically get the following benefits — at no additional charge.

### POWERCARE PROGRAM

IBP will perform a mid-life wellness check (at approximately 30 months) per our PowerCare Bronze service program.

### BATTERY INSPECTION / FIELD STRESS TEST

Inspection and in-field stress test of your Deka battery, at your facility. IBP will provide a written summary of findings and recommendations.

### OSHA COMPLIANCE INSPECTION

Inspection of your battery room, covering over 19 OSHA regulations. IBP will provide a written summary of findings and recommendations.

### SERVICE RENTAL

Provide a no-cost service rental for the first two weeks, if required, during any in-shop repairs performed on your Deka battery. All rentals subject to availability. In-bound and out-bound freight is the responsibility of the customer.

### BATTERY RECYCLING

IBP will schedule and manage the proper recycling of your batteries according to EPA Regulations.

Note: 5 and 7 plate batteries have a 1 + 2 TSG Program, Opportunity Charge batteries subject to application review. In-bound and out-bound freight is the responsibility of the customer. Please call for a freight quote.
